### REVISED DRAFT FINAL DESIGN SUBMITTAL FOR OPERABLE UNIT 2B, LANDFILL SITES 2 AND 17, FORMER MARINE CORPS AIR STATION (MCAS) EL TORO

Dear Mr. Newton:

The Department of Toxic Substances Control (DTSC) has reviewed the subject document dated September 2005, prepared by Earth Tech, Inc. We also reviewed responses to DTSC's comments on the previous design submittal for these sites. The report provides the engineering design and specifications for the landfill caps at both Sites 2 and 17 at Operable Unit 2B. Based on our review of the document, we are satisfied that our comments were adequately addressed. If you have any questions, please contact Mr. Frank Cheng, Remedial Project Manager, at (714) 484-5395.

Sincerely,

Manny Alonzo  
Unit Chief  
Office of Military Facilities  
Southern California Operations Branch
